

# Ripon Select Foods Limited

Food Ingredient Manufacturer

## Predust

## Predusts...

are the base component of a coating system. They help prepare the substrate for building the coating system, helping adhesion by 'lock-and-key'.

We have a wide variety of predusts either off-the-shelf or tailored towards your needs organoleptically, functionally or from a process / manufacturing perspective.

## Flavoured...

Lemon & Cracked Black Pepper
